

Introduction to Personal Finance Workshops

If you are motivated to reduce spending, maximize limited income or create a plan to prosper, these workshops are a great place to start. Straightforward, no nonsense information is shared to help motivate participants to take control of their financial future.

The workshops are FREE and open to the public, but pre-registration is required. Please call within two weeks of the date of the workshop, as the location changes each month and phone staff will be able to register you only after the previous workshop has been held.

Workshops are typically held on Wednesday mornings, 9 am – 12 noon, with a 10 minute break at the halfway point.

If your business or organization would like to host a customized financial literacy workshop, please contact BettyBeth Johns at UCOM: 616-241-4006 X 30 / bettybeth.johns@ucomgr.org.
